

# "She's A Lady ... Or Is She?" Scenario

Source: The Lab Month 4, Week 4 Approved Play

## Background-

Monsters play a little "victim poker" in a clandestine lab only to discover there are devices to change the rules.

## Objective-

Each player aims to defeat the other.

## Army Size-

Two-player game; 200 point armies; two actions per turn.

## Time Limit-

60 minutes

## Map-

Haunted House

## Setup-

Before the game begins, each player receives one Gender-Change Ray Plot Twist card. Each player may choose to include this card when building his or her crypt.

## Special Scenario Rules-

1. Glen or Glenda? When a victim is about to be slain roll a d6. On a result of 4-6 the victim's gender changes to female if it was a male or male if it was a female.
2. Full House If at the end of the game a player has slain 3 male victims and 2 female victims, that player wins. If there is a tie or no player has slain 3 male victims and 2 female victims the player with the most victory points wins.
